OFFICE OF THE INSPECTOR-GENERAL OF EDUCATION.

Notification D. No. 62 *of* 21-22, *dated* 24*th January* 1922.

Reference—

Lists of Bangalore and Mysore City Schools showing the different periods of working hours received from the Inspecting officers concerned.

Review thereon.—

A close perusal of the several lists shows that there has been anything but uniformity in the working periods and disparity is noticed as hereunder :—

(*a*) Though generally all Middle Schools (boys' and girls') are held between 11 A.M. and 5 P.M., and the Primary boys' schools in the mornings and evenings, yet there are many exceptions.

(*b*) While in Bangalore City, Vernacular Middle Schools follow the practice adopted in A.-V. Schools in Mysore, they follow the Primary Schools.

(*c*) Again while the Bangalore City Primary Schools are held between 7-30 and 10-30 A.M., in the mornings those of Mysore are held between 7 and 10 A.M., with few exceptions.

(*d*) While in Bangalore, all the Urdu Girls' Schools are held between 11 A.M. and 4 P.M., in Mysore, they are held between 11 A.M. and 5 P.M.

The Inspector-General of Education is of opinion that in the interests of discipline and efficient organization of class work some ruling is necessary to bring about uniformity and with a view to put an end to these disparities, the following instructions are issued in respect of procedure to be adopted in respect of periods of time during which the Middle and Primary Schools are to be held in both the Cities.

(*i*) All Middle Schools for boys, English and Vernacular, whether purely Middle Schools or composite schools and all Girls' Schools both Middle and Primary in the Cities of Bangalore and Mysore, shall be held from 11 A.M. to 5 P.M., with an interval of one hour between 2 and 3 P.M. and

(*ii*) All purely Primary Schools for boys shall be held from 7-30 A.M. to 10-30 A.M., and 3 to 5 P.M.

N. B.—The instructions contained in the above two paras are applicable to Government Hindustani Boys' and Girls' Schools and to all Aided Institutions in the Cities of Bangalore and Mysore. In case there is necessity for any deviation, the Managers of Aided Institutions should obtain the permission of the Inspector-General of Education.

IV. No person will be allowed to bid for another unless he holds a power-of-attorney, from him.

V. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is

insolvent or in arrears to Government or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmaiton will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

VIII. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

IX Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction or by tender or otherwise at the discretion of the Deputy Commissioner later on.

X. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* which together with the initial deposit made under condition I, will make up one month's khist for each shop. In the case of a foreigner, the initial deposit together with the further deposit will be equal to two months' *khist*, and in the case of a Bagani toddy shop, to four months' *khist*. Should he fail to do so, the deposit made by him under condition I will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. Successful bidders shall be granted proper receipts for the amount deposited by them.

XI. Persons to whom shops have been knocked down and who have made deposits as provided in conditions I and X shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns.

XII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State he may be required either to deposit twice the sum prescribed in condition XI *supra* or to get a surety, or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser, if the amount secured exceeds Rs. 1,000.

XIII. As soon as the sales are over, the sale conducting officer shall forward a list of successful bidders with his remarks to the Deputy Commissioner for confirmation of the sales.

XIV. On the failure of any person to make deposit under condition XI or to comply with the requisition under condition XII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop promptly be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XV. Re-sales effected under condition XIV will be at the risk of the defaulting bidder who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period,

*Deposits may be in cash or other approved security.

under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should however, the forfeited deposits be greater than the loss by re-sale the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re sale and such disposal results in loss to Government as compared with the original sale.

XVI. The deposit referred to in condition XI or condition XII as the case may be, will be taken as security for the due performance of the conditions of the license. It may be credited towards the shop-rent due by the licensees for the last months of the lease provided sufficient security is given by them for meeting any further demands (such as fines, etc.), that may be made during the lease.

XVII The purchaser shall adhere to all the provisions of the Exercise and Opium laws which are in force or which may come into force and of the rules which have been or may from time to time be framed either by Government or by the Excise Commissioner or by any competent authority.

(iv) What were the total expenses incurred by the University on Extension lectures during the two years referred to above ?	1919-20 : Rs. 2,079-11-2, 1920-21 : Rs. 2,067-4-9 till end of April 1921.

(ii) When and why was the further progress of the work stopped?

(iii) What steps has the University taken for getting the work completed at an early date and with what result? and

(v) When can the building be expected to become available for use?

The work was not stopped but is being done slowly.

The rates were rising day by day on account of war conditions. The iron girders required for the building could not be got in time. The wages had gone up by leaps and bounds and were changing every day.

The progress of all the buildings in Bangalore then started suffered similarly.

The Executive Engineer states that a revised estimate has been sent up for sanction, with rates at which work could be executed.

If the estimate is sanctioned the work will be completed by the end of June 1922.

H. N. VENKATARAMANAIYA,
District Inspector of Education.

A brief note on the quarterly reviews of Vital Statistics of Districts for the quarter ending 31st March 1921 received from the Presidents of District Boards.

The reviews were received from the Presidents of the District Boards after a long delay, the reviews for the Tumkur and Mysore Districts having been received so late as the November 1921 and the 12th January 1922, respectively. The reason assigned is that the consideration of the reviews by the District Boards took some time.

2. The consolidated statement annexed hereto shows by districts, the number of births and deaths registered during the quarter ending 31st March 1921 together with ratios per mille of population.

Births.

3. The number of births registered during the quarter was 22,295 giving an annual ratio of 15·63 per mille of population. The highest rates were returned by Tumkur and Bangalore Districts and the lowest rates by Kolar and Kadur Districts.

Deaths.

4. The total number of deaths registered was 21,771 giving an annual ratio of 15·26 per mille of population. The death rate was highest for Bangalore District (20·54), while the same for the other Districts ranged from 12·42 to 14·96 per 1,000 of population.

Infantile Mortality.

5. The deaths among infants under 1 year of age numbered 1,952, the ratio per 1,000 of the registered births being 87·55. The highest rates of infantile mortality were returned for the Districts of Kolar (115·35), Bangalore (115·57), and Kadur(91·72). The rates in the other Districts ranged between 55·45 and 89·52.

6. The low rates of births and deaths recorded are a clear indication of defective registration of Vital Statistics in districts. Obviously several of the births and deaths miss registration. Another source of error is the preparation of the returns by the Sheikdars according to hoblis and their incorporation in the monthly returns of the taluk in lieu of direct compilation from individual village returns received at the taluk. Under this arrangement it is not possible to notice omissions if returns from particular villages are not received.

7. There was a decline in the mortality under this head the total number of deaths returned being 2,334 against 4,374 in the preceding quarter. All the districts contributed towards the decrease.

Cholera.

8. But for four imported cases returned for the Mysore district the State was fre[illegible] cholera.

Dysentery and Diarrhoea.

9. These causes together accounted for 647 deaths and prevailed to a less extent than in the previous quarter.

10. Under small-pox, 653 deaths were registered, Tumkúr, Shimoga and Chitaldrug being the districts most affected.

11. The deaths from fevers numbered 10,034 as compared with 9,107 in the quarter previous. The figures show that fevers prevailed to a less extent than in the preceding quarter in only two districts-Mysore and Kadur. The increase in the recorded figures to a uniform extent in all the other districts coupled with the fact that no influenza was prevalent during the period point to the fevers being mostly malarial in origin.

A brief note on the quarterly reviews of Vital Statistics received from the Deputy Commissioners of Districts for the quarter ending 30th June 1921.

The reviews were received in this office late, which delayed the compilation and publication of the consolidated statement.

2. The reviews relating to the Bangalore, Kolar, Tumkur, Mysore and Shimoga Districts do not appear to have been placed before the respective District Boards.

3, The statement annexed shows by districts the number of births and deaths registered during the quarter together with annual ratios per 1,000 of population. The mortality under the principal causes of deaths together with the infantile mortality rate is also noted.

Births.

4. During the quarter under review, 21,856 births were registered giving an annual ratio of 15·32 per mille of population. The highest number of births were registered in the Mysore, Bangalore and Tumkur Districts and the lowest in the Kadur District. Tumkur District recorded the highest rate and Kolar the lowest.

Deaths.

5. The total number of deaths registered during the quarter was 18,527 giving an annual ratio of 12·98 per mille of population. The rates for the Bangalore and Kolar Districts were the highest and that for Chitaldrug District was the lowest.

6. Judged by the total mortality, the quarter ending the 30th June was the healthiest during the year 1920-21. There was no cholera prevalent. Small-pox accounted for only 386 deaths-the lowest figure recorded in comparison with the previous two quarters. Except in parts of the Mysore District, plague did not prevail in an epidemic form in the State. This comparative freedom from epidemics mainly accounts for the lowered mortality during the quarter. But turning to another chief cause of deaths-"fevers"-it is found that the registered mortality under this head amounted to 10,240 against 10,034 in the quarter immediately preceding and 9,107 in that ending the 31st December 1921. The infantile mortality rate which is an index to the general state of Public Health was also higher than in the previous quarters. These facts are a clear indication of the need for a sustained sanitary endeavour in local areas,-particularly such as is calculated to reduce the mortality from the causes which are indefinitely classified as "fevers" but which undoubtedly arise out of remediable defects in environment.

EXCISE DEPARTMENT

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

Notification No. R. Dis. 42-21, dated 10th March 1922.

Notice is hereby given that the exclusive privilege of selling, during the twelve months beginning from 1st July 1922 and ending with 30th June 1923, country liquors, intoxicating drugs, and opium in the several shops licensed for the purpose and situated in the several taluks of the Mysore State will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or other officers specially empowered by the Deputy Commissioners of the Districts concerned for the purpose; on the dates and at the Taluk or Sub-Taluk Head-quarter places mentioned in the schedule annexed, subject to the conditions hereinafter set forth :—

Note.—If the sales are not completed on the dates fixed they will be continued on the next following days, close holidays excepted.

The date toddy shops of Mudgere, Tarikere, Chikmagalur and Chikballapur Taluks which have been sold on a triennial lease beginning from 1st July 1921 and ending with 30th June 1924 will not be put up to auction.

2. A complete list of all the shops for which licenses will be granted and a copy of the general and special conditions applicable to all vend licenses under the Excise and Opium laws as prescribed by Government in their Notification No. 9208—Ex. 14-18-9, dated 13th February 1920, as amended up-to-date and published in the *Mysore Gazette*, are available for the information of intending bidders in the Range and Taluk Offices.

CONDITION OF AUCTION SALE.

I. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

II. The shops will be put up to auction in the order in which they are notified in the schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any coffee estate or kan may be sold to the planter or kan-holder for any fixed amount not less than Rs. 36 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled shall invariably be sold separately and the amounts connected therewith shall be shown in the accounts under a distinct head. Where Inam shops are sold along with Government shops, when the former cannot be conveniently disposed of individually, the rental of Inam shops will be fixed *pro-rata* according as there is increase or decrease for Government shops.

III. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

IV. No person will be allowed to bid for another unless he holds a power-of-attorney, from him.

V. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is

insolvent or in arrears to Government or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmaiton will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

VIII. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

IX. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction or by tender or otherwise at the discretion of the Deputy Commissioner later on.

X. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* which together with the initial deposit made under condition I, will make up one month's khist for each shop. In the case of a foreigner, the initial deposit together with the further deposit will be equal to two months' *khist*, and in the case of a Bagani toddy shop, to four months' *khist*. Should he fail to do so, the deposit made by him under condition I will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. Successful bidders shall be granted proper receipts for the amount deposited by them.

XI. Persons to whom shops have been knocked down and who have made deposits as provided in conditions I and X shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns.

XII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State he may be required either to deposit twice the sum prescribed in condition XI *supra* or to get a surety, or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser, if the amount secured exceeds Rs. 1,000.

XIII. As soon as the sales are over, the sale conducting officer shall forward a list of successful bidders with his remarks to the Deputy Commissioner for confirmation of the sales.

XIV. On the failure of any person to make deposit under condition XI or to comply with the requisition under condition XII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop promptly be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XV. Re-sales effected under condition XIV will be at the risk of the defaulting bidder who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period,

*Deposits may be in cash or other approved security.

under the terms of the original sale and the total amount payable by the successful bidder at the re-sale In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should however, the forfeited deposits be greater than the loss by re-sale the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XVI. The deposit referred to in condition XI or condition XII as the case may be, will be taken as security for the due performance of the conditions of the license. It may be credited towards the shop-rent due by the licensees for the last months of the lease provided sufficient security is given by them for meeting any further demands (such as fines, etc), that may be made during the lease.

XVII. The purchaser shall adhere to all the provisions of the Exercise and Opium laws which are in force or which may come into force and of the rules which have been or may from time to time be framed either by Government or by the Excise Commissioner or by any competent authority.
